Come Help Us Break Ground on Our New Navy/Veterans Hospital!

The new Captain James A. Lovell Hospital in North Chicago

Dear Friends,

I would like to invite you to a unique event to mark the groundbreaking for the Lovell Veterans Hospital.

PROUD TO PARTNER

EXCELLENCE IN FEDERAL HEALTH CARE!
North Chicago VA Medical Center Naval Health Clinic Great Lakes

As you know, we saved our veterans hospital by combining it with Naval Hospital Great Lakes. This combination not only saved health care for over 50,000 veterans but also provided funding for a new \$100 million expansion of the hospital. We will honor a living hero at this groundbreaking by naming the new hospital after the Commander of Apollo XIII, Captain James A. Lovell, Jr.

Gary Sinise, Captain Lovell and Congressman Kirk unveil the new name of the North Chicago Veterans Hospital

At the groundbreaking, we will honor the veterans of northern Illinois. We will describe the unique nature of the new state-of-the-art hospital that will care for over 100,000 veterans, retirees, navy personnel and their families. We will conduct tours of the new parts of the hospital once the groundbreaking is complete, including a look at the most advanced MRI machine in Illinois.

I hope that you will help me welcome the Deputy Secretary of Veterans Affairs, senior Navy leaders and Captain Lovell at 10:30 a.m., Monday, July 14, 2008, at the current North Chicago VA Medical Center in North Chicago, Illinois (next to the corner of Route 137 and Greenbay Road) to mark this event.

Very truly yours,

Sincerely,

A handwritten signature in blue ink that reads "Mark Kirk".

Mark Kirk
Member of Congress
